

Retraction Notice

Based on a complaint received by the corresponding author on 10.11.2023, the ELP Ethics Committee has retracted the paper Thiet, T. (2020). An Overview of International Laws and Vietnamese Laws to Prevent and Compensate for Damage Caused by Offshore Oil Pollution. The European Journal of Economics, Law and Politics, 07(03). <https://doi.org/10.19044/elp.v7no3a3>. published on 30.00.2020.

In the complaint, the author acknowledges a critical issue related to the accuracy of citations in his paper. The reasons for proposing a retraction include the admission that the article contains inaccuracies due to the author mistakenly selecting and incorporating incorrect information.

This case was reviewed by the ELP Ethics Committee, and the author of the disputed paper was immediately contacted. On 15.11.2023 the corresponding author of the ELP paper accepted responsibility for misconduct and informed the ELP Editorial Office that at the time of the submission, he was not well acquainted with international academic standards and they apologized for misconduct.

The ELP Ethics Committee concluded that Incorrect information was utilized, leading to potential inaccuracies and concerns regarding the validity of the research presented and have retracted the paper and have issued this retraction notice which is available on the ELP website.

ELP Editorial Office

November 17, 2023
